Summer 2021 COVID-19 Exposure Prevention, Preparedness & Response Plan

The purpose of this plan is to outline the steps Barnesville Community ED is planning to take to reduce the risk of exposure to COVID-19. This plan describes what protective measures, and cleaning and disinfecting procedures will take place. This plan also describes the steps that will be taken if someone contracts COVID-19.

Barnesville Community ED takes the health and safety of all participants, coaches and parents very seriously. With the spread of COVID-19 or “coronavirus”, we must all remain diligent in mitigating the outbreak. We have developed this plan to be implemented at our facility and during our activities until further notice. We are asking everyone to help with our prevention efforts while at the fields or school. As set forth below, Barnesville Community ED has implemented various rules, waivers, disinfecting schedules, social distancing and other best practices. Barnesville Community ED Expects that if at any time any child, parents, or coach experiences signs or symptoms of COVID-19, as described below, that you report this immediately to Barnesville Community ED.
