Dear Community Member,

The Canton Local Theatre program brings together students talented in theatre, music, dance, visual arts, and more to create productions that entertain the entire Canton Local community. It is a costly endeavor to bring events like this to our students and our community. Your donation is a direct investment in the program and students who are tying curriculum to problem-based learning experiences.

This year, we have decided to add a play to our theatre season, *Clue*. By adding a play, we are hoping to increase the opportunities for our students and the entertainment opportunities for our community, but adding an additional show comes with additional costs. The costs of licensing plays and musicals, along with the cost of supplies for scenery, painting, costumes, and props has increased a great deal in the last several years.

Here is a breakdown of costs for an average play or musical:

- An average of 40-200 costumes/ 200-100 costume pieces.
One costume rental averages \$65. We do make some of our costumes and purchase costume pieces, as well as reuse costumes when possible.
- \$200-\$300 for 8- 10 gallons of paint.
- \$1,500-\$4,000 for lumber, scenery, backdrops, hardware and tools
- \$1,800-\$5,000 for royalties and music rental fees
- \$300-\$500 for property purchases or rentals.

Please consider sponsoring our 2022-2023 Canton Local Musical Theatre Season. We have changed our sponsorship opportunities to better thank our sponsors at our productions. Since we have already produced our high school musical this school year, sponsorship costs have been lowered. Your sponsorship will help produce the Canton South Middle School production of Disney's *Aladdin, Jr* and the Canton South High School production of *Clue (high school edition)*.

You will find all of our sponsorship opportunities on the attached form. We truly appreciate your support of our productions. **Sponsorships are due by February 1, 2023**
