The Scotch Plains-Fanwood Public Schools are committed to providing an equal opportunity for all students and employees, regardless of race, color, creed, religion, sex, ancestry, national origin, place of residence, social or economic condition, or handicap/disability in all school programs and vocational education opportunities. Consistent with the intent of Title VI of the Civil Rights Act of 1964 (racial/ethnic equity), and Section 504 of the Rehabilitation Act of 1973 (non-discrimination on the basis of handicap/disability), the Scotch Plains-Fanwood Public Schools afford all students and employees equal opportunity.

CREATIVE SUMMER WORKSHOPS 2025

Welcome to the 41st year of the Creative Summer Workshops of the Scotch Plains-Fanwood Public Schools! We are delighted to provide another four-week program, including the SPF Summer Instrumental Music School. Developed and conducted by the Scotch Plains-Fanwood Board of Education, the Creative Summer Workshops

have been designed to offer a variety of enrichment for students. An experienced and talented professional staff will once again lead progressive, challenging, and exciting courses in a fun and engaging atmosphere. The program is open for students who reside in Scotch Plains and Fanwood, as well as surrounding areas.

GENERAL INFORMATION

The Creative Summer Workshops will be held between Monday, June 30 - Friday, July 25, 2025, except for the Instrumental Music Program which will conclude the evening of July 24th. **There will be no workshops on Thursday, July 3rd and Friday, July 4th in observance of Independence Day.**

All workshops will operate **DAILY** between 9AM and 1PM. Workshops will be located at **Malcolm E. Nettingham Middle School**, located at 580 Park Avenue, Scotch Plains, NJ.

Offerings are geared to the age and ability of our students. *Workshop titles bear grade references to those as of September 2025.* These grade references should be viewed as guidelines and are not intended to discriminate against students of other ages who may wish to participate. Our Instrumental Music program is open to students in grades 4-9 and our classes are available to students in grades K-8 only.

Registration is on a **“first come, first serve”** basis. Many workshops have limited enrollment and if they are filled your child will be placed on a waiting list. The Creative Summer Workshop is open to students from Scotch Plains and Fanwood, as well as all surrounding communities. **Registration closes on June 1, 2025.**

PLEASE NOTE THAT REGISTRATION IS ONLY AVAILABLE ONLINE.

PAYMENTS CAN BE MADE ONLINE VIA CREDIT CARD OR PAID BY CHECK IF MAILED TO THE SCOTCH PLAINS-FANWOOD CREATIVE SUMMER WORKSHOPS AND RECEIVED WITHIN 7 DAYS OF REGISTERING YOUR CHILD.

See individual workshops for tuition and material fees. Tuition is all-inclusive. Please note that some classes have additional fees for materials and/or supplies indicated in the course description. Students should report at the appropriate time period and place on the first day of class. Students will be notified in the event of schedule changes.

Many of the workshops will feature a **“Show and Share”** session at Nettingham for families and friends on Thursday, July 24th. Invitations will be sent home in July for this occasion. Our Music School and performance classes will have an evening performance Thursday, July 24th at 6PM in the middle school auditorium. All families of our musicians and all students enrolled in the CSW are permitted to attend with their families. More information will be sent home to students enrolled in these classes once the session begins.

Refund requests must be made in writing via email and submitted by Friday, June 20, 2025. Unfortunately no refunds will be granted once the Workshops have begun. If a student cancels prior to the first scheduled class, the tuition fee minus a \$10.00 administrative fee will be returned.

The Coordinators reserve the right to limit class size and to withdraw or add courses and activities in the interest of

all concerned. PLEASE MAKE CLASS SELECTIONS CAREFULLY. Once registered, if a switch is requested, we cannot guarantee availability of the new class and changes will only be made at the end of each week. No participant may switch from one workshop to another once the Creative Summer Workshops have begun, unless the Coordinators deem that a participant's health condition warrants such a change.

SPECIAL ATTENTION: PARENTS

Please be advised that the Scotch Plains Police Department has reminded us that all traffic patterns and parking regulations will be strictly enforced at all our school locations. Any vehicle illegally parked will be ticketed and subject to removal at the owner's expense. Please also make sure to obey all posted speed limit signs when driving through any high school parking lot.

All children not enrolled in a class **MUST** leave school immediately once their workshop(s) have been completed. Our staff cannot be responsible for children not enrolled in a workshop. Children **CANNOT** wait in the school lobby for a future class, siblings, or friends. **PLEASE BE PROMPT WITH PICK UP.**

Parents are responsible to pick-up their child(ren) from the Nettingham Middle School lobby (door 1). If there are other arrangements regarding pick up, please contact the program coordinators prior to the start of the workshop via email at jpassuth@spfk12.org and kmcardle@spfk12.org by 8:30 am. This is for the protection and safety of your child. *The CSW staff will provide supervision of all children while in the school. The CSW staff cannot be held responsible for children once they leave the school.*

Due to allergies that many of our children enrolled in the Creative Summer Workshops present, we request that parents **DO NOT** send in treats for birthdays or any other celebration. We do not want to put any child in a potentially dangerous situation of having an allergic reaction. Thank you for your understanding and cooperation with this matter. Please be advised that for any cooking classes, you must complete the Google form which the instructors have sent out to all students. Snacks are permitted during class, but must be NUT FREE.

Additional information may be obtained by emailing the Creative Summer Workshops Coordinators at jpassuth@spfk12.org or kmcardle@spfk12.org. All registrations are accepted unless you are notified otherwise.
