

Dear Patrons,

We are delighted to welcome you to our upcoming production of Into the Woods! As part of bringing this magical story to life, several of our talented cast members have been double-casted. This means that certain roles will be performed by different actors on different performance dates, giving multiple performers the opportunity to share their interpretation of these beloved characters.

If you would like to support a particular cast member, we encourage you to check the performance schedule to see which dates they will be appearing on stage. Each cast brings their own unique energy and storytelling to the production, and we are excited for you to experience the many wonderful performances our cast has to offer.

Thank you for supporting our theater community. We hope you enjoy your journey Into the Woods, and we look forward to seeing you at the show!
