Start thinking about **who you want** at your table. You will need to indicate your preference (**list all agreed upon friends**) when purchasing your ticket(s). I will assign table numbers and they will be displayed for your viewing before Prom so you will know what table you will sit at. Max table setting is 8 guests at 1 table. You will only need to stay at your table for dinner...then you can mingle and dance! **ONE person EMAIL me from your group** with CORRECT spelling. Email Mrs. Bodnar. bodnr@elmls.net If no group...no worries-indicate who you would like to sit by and I will try my best.
