

AP US History  
**Greenfield Village Field Trip**

Dear Parent or Guardian,

On **Friday, October 4**, the AP US History classes will be visiting Greenfield Village in Dearborn. We will leave by bus around 8:30 am and return at the end of the school day, approximately 2:20 pm. Students are not required to go, but if they do they should talk to their teachers for assignments before attending.

The cost will be **\$15 per student**. Students will also be asked to either pack a lunch or plan on purchasing lunch at the restaurant at Greenfield Village. This field trip is a wonderful addition to our curriculum as we will be looking at several different areas of the Village to more closely identify with what we are studying, such as the old homes, the working farm, and several home industries such as glass blowing and print making.

If you are interested in **chaperoning** the field trip we would love to have you. The adult admission price will also be **\$15** per person if you would like to ride the busses with us. You may also choose to drive yourself if you wish. **If you would like to chaperone, please get a message back to us as soon as possible so we may send additional paperwork for you to fill out and return.** Please note, we need at least 1 chaperone for every 10 students (per Greenfield Village) in order to run the field trip, so approximately 15 chaperones.

As usual, all school rules apply to field trips (no smoking, no taking off, respectful behavior, etc.), which we're sure will not be a problem. We are looking forward to having a great day with your student.

Sincerely,

Wendy Baeckeroot, Paul Downey and Kirk Weber  
AP U.S. History Teachers

Please sign, detach and **return the portion below by Monday, September 30th.**

-----

Student name: \_\_\_\_\_ has my permission to attend the AP History field trip to Greenfield Village on Friday, October 4. I understand that all school rules apply to this trip.

\_\_\_\_\_ I would like to also **chaperone** the field trip.
