

Dakota Basketball Skills Academy

In conjunction with

Pistons Academy

(3rd grade-8th grade)

First Session is Oct 19th

PRESENTED BY

Dakota Basketball staff and players are interested in our youth's development as basketball players. For 2 hours every weekend the Dakota basketball staff and the Dakota Basketball players will work with young **boys and girls** 3rd-8th grade interested in training and developing their games. The **boys and girls** will be divided up based on skill level and grade level. The first 60 minutes will be a practice dedicated to **skill training and drills** essential for a youth basketball player's development. Training sessions and basketball skill drills will be followed by 60 minutes of games/competition and introduction/instruction of rules. Games will be coached by Dakota Basketball staff/players/volunteer parents. All games will be **refereed officials** and youth players will wear reversible jerseys and play with leather basketballs. All sessions will be held at the Dakota's Main/aux gym or in the Dakota's 9th grade center gym on Saturdays.

Dakota Basketball Skills Academy

Pistons Academy

(3rd grade-8th grade)

Our mission is to develop youth basketball players in our community and teach them the correct way to play the game of basketball. Along the way, we also hope that the kids will have fun and learn how to compete.

Each participant will receive a reversible Pistons Academy Jersey. All Participants will receive a free ticket to 2019-20 Pistons home game (BOGO offer). The registration fee is \$165.00. Fee includes 8 sessions of training, developing skills and competitive games in the Dakota H.S. gyms.

For more information and registration please contact Paul Tocco at ptocco@cvs.k12.mi.us
