

Saint Joseph Musical Boosters

October 5, 2019

Dear St. Joseph Musical Fans,

Each year the St. Joseph Musical Boosters strive to provide a quality high school and middle school musical experience for our students. Each year we have almost 100 of our students involved in these musical productions. For many, this is their sport, their passion and potentially their career.

As part of St. Joseph Schools, the St. Joseph Musical Boosters is a tax exempt, non-profit organization. The Musical Boosters are dedicated to ensuring that the musicals produced at St. Joseph Public Schools are top-notch productions with educational and growth opportunities for students.

The annual cost for producing these musicals is about \$24,000. This includes almost \$4,000 just for the rights to do the shows. The Musical Boosters work to fund the cost of sets, costumes, musicians, backdrops...all of the things it takes to stage a great production.

We hope you are willing to show your support for this program by donating to the St. Joseph Musical Boosters Spotlight Club. Supporters will be listed in our 2019-2020 programs. If you choose to do so, please use the attached form to select your level of support. (not required if donating online: [Online Spotlight Club Donations](#))

Thank you for your continued interest in the St. Joseph Musical program. We appreciate all that you do and look forward to seeing you at the November 15 & 16 production of Beauty and the Beast at St. Joseph High School.

Thank you!
